# Brand Story

Our Kitchen @BBBS NUS branch is operated by 2 fine dining Restaurant brands in Singapore

## SEIZAN Uni Ramen

Original Uni Soup by 鮨 SEIZAN @Bugis

**!! Uni Ramen Revival !!**

Do you remember SEIZAN UNI RAMEN @picnic, Orchard before COVID.

It is unique ramen with fresh and rich Uni Soup.

We are happy to open again here ☆

Must try !!

SEIAN is divided from 晴山(seizan) which is Michelin 2 starred Japanese Cuisine Omakase Restaurant in Tokyo.

We brought the spirit = Japanese Dashi (Soup Stock), then arrange it to unique style soup here.

Singapore main branch is open as Omakase Sushi Restaurant at Bugis Cube now.

## Teppan Works

Stylish Japanese Teppanyaki Restaurant @Tanjong Pagar

**!! Best Okonomiyaki, Best Yakisoba, Best Steak !!**

It is difficult to find

“Good Teppanyaki Restaurant” in Singapore.

Because some restaurants are too highend such as it is in Hotel, some are too casual.

Teppan Works is only one “Middle range Teppanyaki Restaurant”.

We have authentic Seafood grill, Wagyu beef grill, luxury foods. Based on this skills, we also serve Okonomiyaki and Yakisoba, original Izakaya bites.

Here is enjoyable Teppanyaki Restaurant !!
